

§ 641.560

20 CFR Ch. V (4–1–08 Edition)

determine if participants have the necessary supportive services to remain in the job.

(b) Grantees must contact participants 6 months after placement to determine if they have been retained by the employer or use wage records to verify continued employment. (OAA sec. 513(c)(2)(B)).

(c) Grantees may have other follow-up requirements under subparts G and H.

§ 641.560 May grantees place participants directly into unsubsidized employment?

Grantees are encouraged to refer individuals who may be placed directly in an unsubsidized employment position to an employment provider, including the One-Stop for job placement assistance under WIA. The SCSEP encourages grantees to work closely with participants to develop an IEP and assessment to determine what training the individual may need. The Department encourages grantees to work with those participants who are the most difficult to place to provide them with the services necessary to develop the skills needed for job placement.

§ 641.565 What policies govern the provision of wages and fringe benefits to participants?

(a) *Wages.* Grantees must pay participants the highest applicable minimum wage for time spent in orientation, training required by the grantee/subgrantee, and work in community service assignments. The highest applicable minimum wage is either the minimum wage applicable under the Fair Labor Standards Act of 1938; the State or local minimum wage for the most nearly comparable covered employment; or the prevailing rate of pay for persons employed in similar public occupations by the same employer.

(b) *Fringe benefits*—(1) *Required fringe benefits.* Except as provided in paragraphs (b)(3) and (b)(4) of this section, grantees must ensure that participants receive all fringe benefits required by law.

(i) Grantees must provide fringe benefits uniformly to all participants within a project or subproject, unless the Department agrees to waive this

provision due to a determination that such a waiver is in the best interests of applicants, participants, and project administration.

(ii) Grantees must offer participants the opportunity to receive physical examinations annually.

(A) Physical examinations are a fringe benefit, and not an eligibility criterion. The examining physician must provide, to participants only, a written report of the results of the examination. Participants may, at their option, provide the grantee or subgrantee with a copy of the report.

(B) Participants may choose not to accept the physical examination. In that case, the grantee or subgrantee must document this refusal, through a signed statement or other means, within 60 workdays after commencement of the community service assignment. Each year thereafter, grantees and subgrantees must offer the physical examination and document the offer and any participant's refusal.

(iii) When participants are not covered by the State workers' compensation law, the grantee or subgrantee must provide participants with workers' compensation benefits equal to those provided by law for covered employment.

(2) *Allowable fringe benefit costs.* Grantees may provide the following fringe benefits: annual leave; sick leave; holidays; health insurance; social security; and any other fringe benefits approved in the grant agreement and permitted by the appropriate Federal cost principles found in OMB Circulars A-87 and A-122, except for retirement costs. (See subpart H, §§ 641.847 and 641.850).

(3) *Retirement.* Grantees may not use grant funds to provide contributions into a retirement system or plan.

(4) *Unemployment compensation.* Unless required by law, grantees may not pay the cost of unemployment insurance for participants.

§ 641.570 Is there a time limit for participation in the program?

No, there is no time limit for participation in the SCSEP; however, a grantee may establish a maximum duration of enrollment in the grant agreement, when authorized by the Department. If
